

COMMITMENT TO LIVE SAFETY 24/7

MAKING SAFETY A WAY OF LIFE

World-Class Safety Excellence

At ATS, safety goes beyond our industry leading OSHA incident rate and regulatory compliance. Our Beyond Zero safety culture prioritizes best-in-class safety procedures and programs with overall employee well-being.

HOW DO WE LIVE SAFETY?

Awarding Safety Excellence

93% of ATS sites were awarded **The ATS Presidents Award for Safety Excellence** in 2024.

Safety Tools

The following are programs and tools used around the importance of safety:

- Safety Dashboard
- Safety Training
- Toolbox Talks
- President's Award
- Safety Trained Supervisor Certification by Board of Certified Safety Professionals

Stretching for Zero

Site employees participate in **turn-over meeting stretching** to avoid strains and sprains.

Recordable Incident Rate

ATS averages a **50%** lower recordable incident rate than the industry standard.
